

# Mediterranean Network for eGovernment

## MEDeGOV

**Priority 4** Promotion of cultural dialogue and local governance

**Measure 4.3** Improvement of the governance processes at local level

[www.enpicbcmmed.eu](http://www.enpicbcmmed.eu)

Programme  
funded by the  
**EUROPEAN UNION**

**REGIONE AUTONOMA DELLA SARDEGNA**

## **Project in brief**

**MEDeGOV** focuses on the utilization of IT, ICTs and other web-based telecommunication technologies to improve and/or enhance the efficiency and effectiveness of service delivery in the public sector. In particular, the project aims to foster the adoption of eGovernment practices by local and regional authorities of the Mediterranean area through the development of pilot eGovernment platforms and the support to the redesign of public services delivery.

## **Beneficiary**

Region of Sterea Ellada (Greece, Sterea Ellada)

## **Partnership**

1. Province of Crotona (Italy, Calabria)
2. Salfeet Municipality (Palestinian Authority)
3. Region of Central Macedonia (Greece, Kentriki Makedonia)

## **Specific objectives**

- To identify the potential of existing eGovernment infrastructures in the local/regional authorities participating in the project
- To develop the proper strategies fostering the transition to eGovernment for the involved authorities
- To implement pilot eGovernment platforms

## **Expected results**

- Increased number of public services offered online through pilot eGovernment platforms
- Increased number of users utilizing online public services
- Higher efficiency of administrations involved in the delivery of public services
- Raised stakeholders awareness concerning the benefits of eGovernment

## Target groups

- Decision-makers of the national, regional and local authorities
- Employees of the public sector

## Final beneficiaries

End users of public services (citizens and businesses)

## Duration

24 mois

## Budget

- Total budget: € 1.400.000
- Programme contribution: € 1.260.000 (90%)
- Project co-financing: € 140.000 (10%)
